The Floor Show: Gravity and Materials - Gagosian, Beverly Hills

Robert Therrien, *No title (pallet)*, 2007

Oh to be in California! I usually confine myself to listing UK shows, but *The Floor Show: Gravity and Materials* at Gagosian, Beverly Hills looks to be such a splendid exhibition, I couldn't resist giving it a mention. An exhibition that includes work by Andy Warhol, Carl Andre and Richard Serra is, I think, something worth knowing about. The piece by Robert Therrien (above) is new to me but is destined to enter my personal canon of great works. Other featured artists include, Richard Long, Rachel Whiteread, Mike Kelley, Robert Morris, Felix Gonzalez-Torres, Tom Sachs, Lynda Benglis, John Chamberlain and Barry Le Va - watch a video of the 'smashing' installation of Le Va's piece (below), [here](#). The exhibition continues until 28 July.
