Five of the best... new art shows

Sicily: Culture And Conquest | *Mat Collishaw* | *Undressed: A Brief History Of Underwear* |
Pablo Bronstein | *Jenny Saville*

Jonathan Jones

Jenny Saville

Now that Britain's older painters are, well, old, Saville – at a mere 45 – is a standard bearer for visceral, earthy, figurative painting. It is also interesting to compare her old masterly sketches with Tracey Emin's recent nudes. Are women becoming the guardians of tradition in art? Is an era of the Old Mistresses dawning at last?

Gagosian Gallery, WC1, to 28 May
